

Bethel Celebration Host Schedule

Mar - May, 2011

The Celebration Hosts will position themselves in the foyer and in the hallway at the back door 20 - 30 minutes before the service. The security person will roam and generally be attentive to security.

The Welcome Desk person needs to remain in the foyer at all times to welcome late-comers and to say good-bye to early leavers. Offering collected by usher and security person. Both greeters will also return to the foyer after the service to say good-bye and help at the Welcome Desk with any signup sheets, etc.

Besides their specifically assigned responsibilities, everyone is to assist other hosts as needed. Teamwork is the key. The team is considered to be on call or on duty before, during, and after the celebration service. If you have any questions, problems, or cannot be here on your assigned week, please see your weekly leader.
